FACSIMILE NUMBER:

E-mail:

To whom it may concern:

In order to proceed with the injury investigation of the sunset review concerning the antidumping duty order on certain flat-rolled steel products, plated or coated with zinc or zinc-alloys from China and Korea, the International Trade Commission (ITC) will conduct a hearing to provide an opportunity for face-to-face communication between representatives of domestic producers, foreign producers and exporters, importers, and other interested parties.

The hearing will be held on July 8, 2022, 10:00 a.m., at room 201BC of the Taipei International Convention Center, which is located at 1 Hsin-Yi Road, Sec. 5, Taipei, Taiwan (R.O.C) . Those who wish to attend the hearing are encouraged to register with the ITC through the ITC's website www.moeaitc.gov.tw, or by fax or email before July 6, 2022. Persons signed up for presenting their views are also

invited to attend the pre-hearing meeting, which will be held at 9:40 a.m. prior to the hearing, in order to arrange the sequence and time allocation of the presentations in the first session of the hearing.

Foreign producers and exporters intending to attend the hearing should pay attention to our COVID-19 quarantine regulations.

In addition, for the convenience of all parties to defend their interests at the hearing, we will post the non-confidential information relevant to the injury investigation on the ITC's website (<https://www.moeaitc.gov.tw>) before June 24, 2022.

The original copy of the official notification in Chinese is enclosed.

If you have any questions about this case, please contact the following correspondents.
